

After School Program

At Creighton Middle School

Lakewood
Recreation

Dear Creighton Middle School Families,

We are excited to return for our 2nd year of the City of Lakewood After School Program at Creighton Middle School. We love being a part of the Creighton team and are excited to have the opportunity to continue to offer a fun, safe, and low cost option to keep teens and pre - teens engaged and active in the afternoons once the school bell rings. After school programs have been a very successful part of Lakewood Recreation for over 10 years and we are thrilled to grow with our Creighton family as we welcome the new 6th grade GT students. I am looking forward to meeting everyone and getting to know your Creighton students. Please look for us at Back to School Night at Creighton Middle School on Thursday, August 23rd. If you have any questions about the program or regarding Lakewood Recreation, I am happy to help.

Welcome Kaylah

Many of you may already know Kaylah from After School Program last year. This year we are excited reintroduce her as The After School Program Director. Kaylah will be onsite with the students daily and helps plan all of our fun activities. Look for her at Back to School Night. She is very excited to meet your Creighton Student(s) !
